Subject: Cleanup could hurt local jobs

Please make sure the cleanup up plan honors the hard work that goes on in the Portland Harbor.

The Willamette River is the lifeblood for Oregonians but it is also the home to many, many businesses and jobs on our working waterfront. The shipyards and docks have really defined who we are as a city, Port-Land.

Thank you for considering my concerns. I hope you will agree that we need to do all we can to support Portland's environment and economy.

Sincerely,
